

McKahn Family Cellars

Valuing family, friendship and tradition

Established in 2014, McKahn Family Cellars has dedicated itself to crafting site-specific Rhône varietal wines of quality and character from some of the best vineyards in Northern California. We are not beholden to any single appellation, and will search near and far for a vineyard that produces fruit to meet our high standard.

California is blessed with some of the most diverse terroir in the world, and our wines reflect that wealth of diversity from the Russian River Valley to the Napa Valley; from the Sierra Foothills to the Livermore Valley. We value family, friendship and tradition, and our wines are crafted with the intention of being shared among loved ones. We respect the millennia old tradition of winegrowing, and take every precaution necessary to ensure each of our wines is unique to their specific terroir and varietal. 

2020 MORNING GLASS

This red blend is inspired by the annual family lake trips of our youth. We hope you enjoy this wine while making unforgettable memories with family and friends on those casual nights that you just don't want to end. Aromas consist of dried cherry, Bing cherry, red currant, bramble and allspice. The mouthfeel is medium bodied and brightly flavored of cotton candy and strawberry preserve, finishing with soft, supple tannins. Pour another glass and keep the night going.

Sierra Foothills

The Sierra Foothills appellation comprises 2.6 million acres in parts of eight counties at the base of the Sierra Nevada Mountain

range. It is a large and diverse appellation with numerous microclimates and soil profiles. Situated in the north east portion of the state, away from any maritime influence, most vineyards see substantial warmth during the growing season benefitting warm climate varietals such as Rhone's.
