*Valuing family, friendship and tradition*

*Established in 2014, McKahn Family Cellars has dedicated itself to crafting site-specific Rhône varietal wines of quality and character from some of the best vineyards in Northern California. We are not beholden to any single appellation, and will search near and far for a vineyard that produces fruit to meet our high standard.*

*California is blessed with some of the most diverse terroir in the world, and our wines reflect that wealth of diversity from the Russian River Valley to the Napa Valley; from the Sierra Foothills to the Livermore Valley. We value family, friendship and tradition, and our wines are crafted with the intention of being shared among loved ones. We respect the millennia old tradition of winegrowing, and take every precaution necessary to ensure each of our wines is unique to their specific terroir and varietal.* 

## 2017 MOURVÈDRE

Tantalizing aromas of raspberry, Bing cherry, fig reduction, and savory herb blend harmoniously with the subtle notes of saucisson and steak tartare, giving this wine a vibrant personality that is impossible to resist. The palate is medium bodied with a supple, rounded texture and moderate tannin.

### Production Notes

Destemmed to tank and fermented on the skins for 12 days. Aged in 40% new French and Hungarian oak for 18 months and racked only once after primary fermentation.

### Livermore Valley

The Livermore Valley is an East-West oriented valley east of the San Francisco Bay, and west of the Altamont hills that separate the Bay Area from the Central

Valley. The coastal fog that regularly move in and out of the valley moderate the warm days of the growing season and makes it an ideal location for growing wine grapes. It's defining characteristic is the gravel that occupies most of the soil profiles throughout the valley and make for low vigor vines and highly concentrated wine.

### Suggested Food Pairing

Enjoy this wine with Prime Rib with Herbes de Provence Crust or Wild Mushroom Pizza
