

McKahn Family Cellars

Valuing family, friendship and tradition

Established in 2014, McKahn Family Cellars has dedicated itself to crafting site-specific Rhône varietal wines of quality and character from some of the best vineyards in Northern California. We are not beholden to any single appellation, and will search near and far for a vineyard that produces fruit to meet our high standard.

California is blessed with some of the most diverse terroir in the world, and our wines reflect that wealth of diversity from the Russian River Valley to the Napa Valley; from the Sierra Foothills to the Livermore Valley. We value family, friendship and tradition, and our wines are crafted with the intention of being shared among loved ones. We respect the millennia old tradition of winegrowing, and take every precaution necessary to ensure each of our wines is unique to their specific terroir and varietal. 

2018 GRENACHE

Aromas of red and black currant, candied bacon, black fig jam, and cherry/blackberry compote. The wine is medium bodied with silky tannins and a medium finish.

Production Notes

Destemmed to a stainless-steel fermentation tank. Cold soaked for 5 days before inoculation and fermented on the skins for a total of 14 days. Aged in once used French oak barrels for 18 months prior to bottling.

California Shenandoah Valley

The California Shenandoah Valley is the oldest growing region in the broader Sierra Foothills Appellation. It is the most western and least elevated of its sister appellations, and warm climate varietals benefit from substantial summer heat. The hilly terrain

and poor water holding capacity produce rich, highly structured wines. The soil profile for much of the valley is decomposed granite derived from the Sierra Nevada mountain range, as well as sandy loam. The high iron content gives the soil a rusted color.

Suggested Food Pairing

Pair this medium bodied wine with Cumin Spareribs, 5 Spice Grilled Pork Chops, or Roasted Vegetables.
