

McKahn Family Cellars

Valuing family, friendship and tradition

Established in 2014, McKahn Family Cellars has dedicated itself to crafting site-specific Rhône varietal wines of quality and character from some of the best vineyards in Northern California. We are not beholden to any single appellation, and will search near and far for a vineyard that produces fruit to meet our high standard.

California is blessed with some of the most diverse terroir in the world, and our wines reflect that wealth of diversity from the Russian River Valley to the Napa Valley; from the Sierra Foothills to the Livermore Valley. We value family, friendship and tradition, and our wines are crafted with the intention of being shared among loved ones. We respect the millennia old tradition of winegrowing, and take every precaution necessary to ensure each of our wines is unique to their specific terroir and varietal. 

2019 PETITE SIRAH

This expressive wine starts off with a burst of berry cobbler, blackberry compote, and raspberry aromas. The bouquet opens over time with layers of creme de cassis and cappuccino oak characteristics. The palate is powerful, rich in flavor, and well balanced. The tannin structure is firm, but supple, and the finish is everlasting.

Production Notes

Destemmed to a stainless steel fermentation tank. Cold soaked for 5 days before inoculation, and fermented on the skins for a total of 12 days. Aged in 40% new French oak and 60% neutral oak.

Livermore Valley

The Livermore Valley is an East-West oriented valley east of the San Francisco Bay, and west of the Altamont hills that

separate the Bay Area from the Central Valley. The coastal fog that regularly moves in and out of the valley moderate the warm days of the growing season, and makes it an ideal location for growing wine grapes. Its defining characteristic is the gravel that occupies most of the soil profiles throughout the valley and makes for low vigor vines and highly concentrated wine.
